College Band

### **Musical Organizations**

**College Band.** Lebanon Valley College maintains a uniformed band, the membership of which is made up of college and conservatory students. The band contributes to college life by playing at football games, by appearing on several programs during the year and by providing the musical accompaniment for the annual May Day Fete. Membership in the band is determined by an applicant's ability on his instrument and by the needs of the band with respect to maintaining a well-balanced instrumentation.

**College Orchestra.** The Lebanon Valley College Orchestra is a musical organization approaching symphonic proportions. Open alike to advanced players from the college and the conservatory, the orchestra adheres to a high standard of performance. Throughout the school year a professional interpretation of a wide range of standard orchestral literature is insisted upon.

**College Chorus.** 2 hours per week, 1 semester hour credit.

The mixed chorus is open to all on the campus who are interested in this type of musical performance and who have had some experience in singing. From this chorus a group will be selected to appear on programs and to give concerts both at home and in other communities.

**Instrumental Ensembles.** In addition to the larger musical organizations there is additional opportunity for advanced players to try out for such ensembles as

- (1) String Quartet
- (2) Violin Choir
- (3) Brass Ensemble
- (4) Woodwind Ensemble

**Radio Broadcasting.** Opportunity will be given to advanced music students and musical organizations for experience in broadcasting from a recognized broadcasting station. This experience will be offered at regular intervals throughout the school year.

### **Individual Instruction**

**Voice, Piano, Organ, Chorus, Orchestral and Band Instruments.** 4 hours per week, 2 semester hours credit.

The work in the foregoing fields will be organized from the standpoint of the development of musicianship in the individual student. The work continues through eight semesters and assures a well-rounded and many-sided acquaintance with various musical techniques.

Piano Studio

Private instruction is provided in Applied Music (Piano, Voice, Organ, Violin, and all instruments of orchestra and band.)

Piano: Mrs. Bender, Mr. Campbell.

Voice: Mr. Crawford.

Organ: Mr. Campbell.

Violin: Mr. Malsh.

Instruments of Band and Orchestra: Mr. Rutledge.

A bulletin describing courses in Practical Music will be sent upon application.

### **Junior Department**

The Conservatory sponsors a Junior Department especially adapted to children of Elementary or High School age.

This Junior Department offers either private or class instruction in piano and all instruments of the band and orchestra. A desirable number for class instruction is from four to six members.

### **MUSIC AND THE A.B. DEGREE**

The College offers to students of exceptional merit the opportunity under careful guidance of arranging special electives either in work leading to the A.B. degree or the B.S. degree in Music Education (Public School Music), so that upon the attainment of either degree the subsequent degree can be earned by taking two or three semesters additional work.

Music study may be credited toward the A.B. Degree to a total of twenty semester hours (five semester hours per year). For such credit the requirements are as follows: Two half hour recitations per week in Applied Music, two hours per day in practice, three hour recitations per week in harmony.

Before entering upon this course of study the candidate must pass the examinations required by the Director of the Conservatory.

A student desiring credit for this course of study is expected to continue the same until graduation. Credit will not ordinarily be granted for a single year of study. Only under exceptional conditions may such credit be granted by the faculty upon recommendation of the Director of the Conservatory.

### **THE STUDENTS' RECITALS**

The students' Tuesday evening recital is of inestimable value to all students in acquainting them with a wide range of the best musical literature, in developing musical taste and discrimination, in affording young musicians experience in appearing before an audience, and

College Orchestra

in gaining self-reliance, as well as nerve control and stage demeanor.

Students in all grades appear on the programs of these recitals. Each senior is expected to appear in one special graduation recital.

**FEEES**

Matriculation for Music ranges from one dollar to twenty-eight dollars. No additional fee is required for music from students who have already matriculated for College departments.

Semester bills are payable strictly in advance of recitations. Students are registered at the office of the College Registrar over the signature of the Director of the Conservatory.

The Rates for the Public School Music Supervisors' Course will be \$220 per year. This will include two private lessons per week, the use of a piano two hours daily for practice, and Theoretical and Academic Courses not to exceed seventeen points. Charges will be made for additional private lessons at the rate of \$25 per semester for one lesson a week. Extra hours in Theoretical or College Courses will be charged at the rate of \$7 per semester hour.

**Private Lessons**

Rates are determined by the classification of the pupil and the fees charged by the different professors.

The rates per semester, one lesson per week, are \$25.00.

The rates per semester, one class lesson per week in the Junior Department, are \$9.00.

**Rent of Practice Instruments**

Regular Conservatory students are not enrolled for a shorter period of time than a full semester, or the unexpired portion of a semester; and no reduction is made for delay in registering when the time lost is less than one-fourth of the semester.

No reduction is made for absence from recitations except in case of protracted illness extending beyond a period of two weeks, in which case the loss is shared equally by the college and the student.

Conservatory students are under the regular college discipline.
